A photograph showing the silhouettes of three children running and jumping in a field during a sunset. The sky is filled with warm, golden light, and the children are captured in mid-air, conveying a sense of joy and freedom. The child on the left is jumping high with one arm raised, the middle child is running towards the viewer, and the child on the right is running with arms flexed. The foreground shows the dark silhouettes of grass and some wildflowers.

“Childhood is not a race to see how quickly a child can read, write and count. It is a small window of time to learn and develop at the pace that is right for each individual child. Earlier is not better.”

- Magda Gerber

Indicators for School Success

Our PTSA supports Cadence Park School by establishing programs to improve children's lives and enrich our community. To support our school community, we manage only two fundraising drives and implement several key programs such as Family events (Summer Playgroups, Welcome Back Aloha, Trunk or Treat, Carnival and Talent Show) as well as financially support the school with assemblies, teacher funds, Maturity Talks to name a few.

We hope you will not only consider joining the PTSA but will also take an active role by:

1. Becoming a Board Member or Committee Chairperson;
2. Volunteering at fun and exciting PTSA events; AND
3. Attending PTSA Association Meetings and sharing your thoughts and ideas.

Summer Camp

In addition to a Summer Camp full of friends, activities, and fun, get a head start for Kindergarten with our Kickstart to Kindergarten! This program is integrated with our camp at no additional cost!

KICKSTART TO KINDERGARTEN

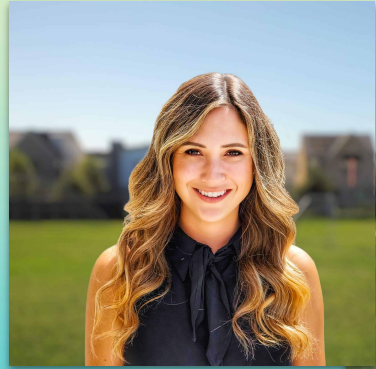

- >> Let's start Kindergarten right! Children will go through our Kinder preparedness program developed by credentialed teachers. They will practice all of the necessary skills required for success in the classroom. We focus on their cognitive, motor, communication, and self-help skills throughout the summer through a variety of engaging activities. Most importantly, we address the importance of their social-emotional well-being and how that translates into their school life.
